Subject: Wilcox-- RTOC Superfund Updates - Tribal Summit and Tribal Environmental Excellence Award Nominations
Date: Thursday, February 14, 2019 11:46:00 AM

Wilcox Oil Company: On April 16, 2018, EPA and ODEQ met with the Sac and Fox Nation, Muscogee (Creek) Nation, and Cherokee Nation to discuss the draft Source Control Proposed Plan, and released the proposed plan for public review. The comment period ended on July 31, 2018, and a public meeting was held on July 10, 2018. The final Source Control Record of Decision was signed on September 5, 2018, and final electronic copies were provided to each of the tribes on September 11, 2018. The remedial design is ongoing and planning for a May/June 2019 field pilot study to evaluate stabilization/solidification is underway. In addition, the 7th field sampling event in support of the remedial investigation was completed in December 2018. Currently, work on the draft investigation and feasibility study reports, along with risk assessment documents, is underway. These draft documents are targeted for the end of 2019 and will be shared for review and comment. John Meyer 214-665-6742

Subject: RTOC Superfund Updates - Tribal Summit and Tribal Environmental Excellence Award Nominations

The RTOC and Tribal Summit is scheduled for April 3-5th and will be held in north Dallas at the Wyndham Dallas Suites Hotel, 7800 Alpha Rd. The RTOC is scheduled on April 3rd from around 8:00 am until noon, and the Tribal Summit will start at 1:00 pm with opening remarks. April 4-5th will consist of break-out sessions conducted by region 6 staff (I will forward an agenda when it is final). During the opening remarks of the Tribal Summit, the region will be recognizing Tribes or Tribal staff that have done outstanding work. So if you have a Tribe or Tribal staff person that you would like to nominate for an Environmental Excellence Award please do a write-up and forward to me or Randy Gee. If you need an example of a write-up just let me know and I will forward an example. Next, the RTOC Superfund report needs to be updated. I have included the previous RTOC Superfund report for your reference. Please provide your updates to me by COB March 4th. If you have any questions, please let me know. Thanks for your assistance.
